MEMORANDUM FOR [REDACTED]
Central Intelligence Agency

Sam Hughes asked me to send you the enclosed. The Justice report has gone forward; State Department has not and we would expect to work out changes with them so that their report will follow the Justice pattern--greater awareness of the threat but no new agencies are needed.

We still are awaiting a report from USIA which, we understand, will be adverse. I have asked Tom Roderick over there to send a copy directly to you when it comes to us supposedly early next week.
